Interim Executive Director Brian Cox provided his report.

Last Month, we enjoyed an evening honoring Representative Wright at the Maritime Lighthouse Gala in New Orleans, which was attended by Chairman Joey Murray and Staff. Representative Wright has been the port industry's leading voice in the Legislature, and this honor is well deserved.

Our Commissioners and Executive Staff represented the Port at the AAPA Annual Convention in Quebec City, strengthening our industry relationships and learning about best practices. We are excited to join our Louisiana ports in hosting next year's convention right here in New Orleans.

WSP and T. Baker Smith attended the Hyundai Development Strike team meeting last week, where they updated the company and stakeholders on the project's progress and permit application.

I submitted a letter for support for Entergy's planned Waterford facility expansion to the St. Charles Zoning Board. I'm happy to report that the proposal passed unanimously clearing a key step toward this project which will increase capacity for future growth.

Last week, we hosted the River Region Chamber of Commerce board of directors meeting, led by CEO Ray Gregson, where I was able to provide an update on port activities and reaffirm our relationship. Special thanks to Commissioner Dumas for arranging that.

As you may be aware, Port 'sDirector of Human Resources job posting closes tomorrow (10/29/25). We encourage those interested to apply as we look to fill this critical role in our organization.

Finally, October is Manufacturing Month. Manufacturing adds \$59.4 billion to Louisiana 's economy and supports over 140,000 jobs. I want to thank the hardworking men and women who make Louisiana strong.
